# PRO 50N<sup>CZ</sup>

A Fusion 3D design buoyancy aid with unique body shaping foam that adapts to the profile of the wearer for the ultimate in unrestricted comfort and performance. Breathable airflow mesh is featured on the internal back panel to allow for less build up of heat and greater comfort.

The durable cover integrated with an extra large expandable storage pocket and attachment point makes this the perfect storage companion for a multitude of surface watersports. Also available in a side zip option. See Pro 50N 'SZ'

## KEY FEATURES

- Sculpted shape for extra comfort and manoeuvrability
- Lightweight supersoft foam construction
- Extra large expandable storage pocket with attachment point
- Stretch mesh shoulder straps and side panels
- Secure fit dual waist adjusters with webbing tidy
- Robust fabric
- Crotch straps on junior versions
- Available in white and black/red options
